

These are guides only - we need the category symbols to be developed please!

The items listed 1 - 9 are the "suits", please see the Project brief for more details.

2. "Festivals and Events" - usually these will be concerts or annual events.

6. "Sight Seeing"

3. "Epic Journeys" - We think a train or a car symbol would be good for this!

7. "Shopping"

Poker Chip - "likes" will be called "Raises" and the poker counter will go up

4. "Entertainment" - Theatres, cinemas, shows etc

8. "Eating"

1. "Take shelter" - or really, places to stay. These will be hotels and other kinds of accommodation. The symbol should reflect this somehow.

5. "Drinks and Nigtlife"

9. "Sporty" - this will be watching and doing, things like diving, surfing, wind surfing, playing or watching sports etc

Card Back Closeup

A close-up view of the back of a card. The top half features a large rectangular area with a diagonal cross, intended for a map. To the left of this area is a smaller square with a diagonal cross, labeled "Same pic as front". Below the map area is a circular icon containing a jester's face. The bottom half of the card contains text input fields for "Card Title", "Card Location", and "Card Description". Below these is a horizontal bar with labels "Website", "Phone Number", "Price", and "Date". At the bottom is a "Comments" section with a text input field containing the text "Thanks for this amazing idea!". The very bottom of the card has a circular icon with a spade and the number "100", followed by three buttons: "Add", "Share", and "Twist".

A screenshot of a web browser showing the home page of "travelpoker.com". The browser's address bar shows "http://travelpoker.com". The page has a navigation bar with a "Search Bar" and a "Deal" button. Below the search bar, it says "Top Results: New York". The main content area displays a card back, identical to the one in the closeup, with a diagonal cross and a jester's face icon. The card's text fields are visible but partially obscured. The left sidebar contains a "Logo" section with links: "+ Create a deck", "My Decks", "48 Hours in NY", "Polly's Gap Year", "Living it up in L...", "How it works", "About us", and "FAQ". The bottom of the page has a small icon in the bottom right corner.

Surfing in Costa Rica

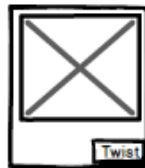

Edit Deck

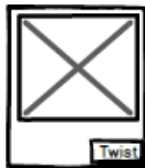

Costa Rica, Central America

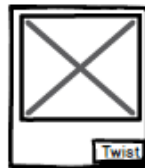

Top experiences from a trip to Costa Rica in early 2013, surf like crazy, watch every sunset you can feast your eyes on, and when you really need a hot shower, head to the Monteverde Rain forest to zipline through the trees.
